Can you help?

We have been told about two very early Boy Scouts who had projects at 21 Acres on the farm, but we are looking for specific information about them. If you know these two gentlemen, or the projects that they worked on, please let us know. Thank you!

Matthew Williams, Troop 574
Patrik McDurry, Troop 574

If you have questions about the Eagle Scout projects please contact Deb Sternagel, deb@21acres.org or 425-481-1500.
