FARM-BASED LEARNING RESOURCES FOR TEACHERS, PARENTS, AND YOUTH

Updated August 11, 2020

In response to COVID-19 and exciting pivots in our organization's structure and programs, we are pausing all our youth programs. While this was a very hard decision, we are confident it will allow us to better focus our programming and resources. There are so many wonderful local, national, global organizations doing this incredible work. Here are a few resources and organizations to explore. Additionally, please [explore our pre-recorded Virtual Farm Field Trips.](#)

Resource	Weblink	Description	Target Audience
Farm-Based Education Network	https://www.farmbasededucation.org/	Explore the resources on this gem of a website.	Parents/ Educators
Oxbow Farm & Conservation Center	https://www.oxbow.org/education/	Our neighbors at Oxbow have created some really creative virtual programming. More to come!	Youth, All Ages
Farm to Table: At-home activities for Preschoolers	https://documentcloud.adobe.com/link/track/?uri=urn%3Aaaid%3Ascids%3AUS%3A41c9305d-88e9-4995-901e-add1c83169a4&pageNum=1	This resource guide from City of Seattle's Farm to Table program (partnership with Tilth Alliance, Solid Ground, and Nourishian for Life, & City of Seattle HSD) has reading, cooking, and nature-based activities.	Parents/ Educators of Preschool age students

Island Grown Schools Curriculum Toolkit	http://www.islandgrowschools.org/curriculum-toolkit	A wonderful organization from the East Coast with a thriving farm-to-school program has graciously put much of their curriculum online. User-friendly! Search for lessons by grade level, subject, and season.	Parents/ Educators
Life Lab	https://www.lifelab.org/	This fantastic organization out of Santa Cruz, CA has a wealth of curriculum and resources to support student learning.	Parents/ Educators
South Whidbey School Farms YouTube videos	https://www.youtube.com/channel/UCjrarJKrbOfOPSeUkG23fg/videos	A local farm to school program posts videos to keep students connected to the School Farm while they are at home, and tips and education for garden science, gardening at home, exploring the natural world, and cooking.	Youth, All Ages
Nourish Curriculum	https://www.nourishlife.org/teach/curriculum/	An expansive curriculum developed by The Center for Ecoliteracy. It goes along with a DVD but many of the activities are stand alone.	Middle, High School Students & Parents/ Educator
The Edible Schoolyard Project	https://edibleschoolyard.org/edible-education-home-classroom	Check out a few lessons from this renowned organization out of Berkeley, CA. These lessons engage students in understanding how food is deeply connected to our lives.	Parents/ Educators & Youth
National Geographic	https://www.nationalgeographic.org/education/food-education/	Resources for teaching about food and food issues.	Youth, All Ages
TEDED	https://ed.ted.com/lessons?category=nutrition	A wonderful resource for educational videos and lesson plans. Try searching for keywords like "farming" and "nutrition."	Youth, All Ages

The Charlie Cart Project's List of Learning Resources	https://charliecart.org/stories/cooking-while-quarantined-with-kids/	Recipes and lesson plans for cooking with children	Youth, All Ages
