

2020 CAMPUS LAND USE DISTRIBUTION

Key

- Production space: 4.77 Acres
- Wetlands/ conservation land: 5.77 Acres
- Hedgerow/ pollinator habitat: 0.45 Acres
- Livestock Paddock: 0.3 Acres
- Future production space/ potential: 1.9 Acres
- Educational/ Outdoor Teaching spaces: 0.56 Acres
- Building/ Structure Footprint: 0.2 Acres

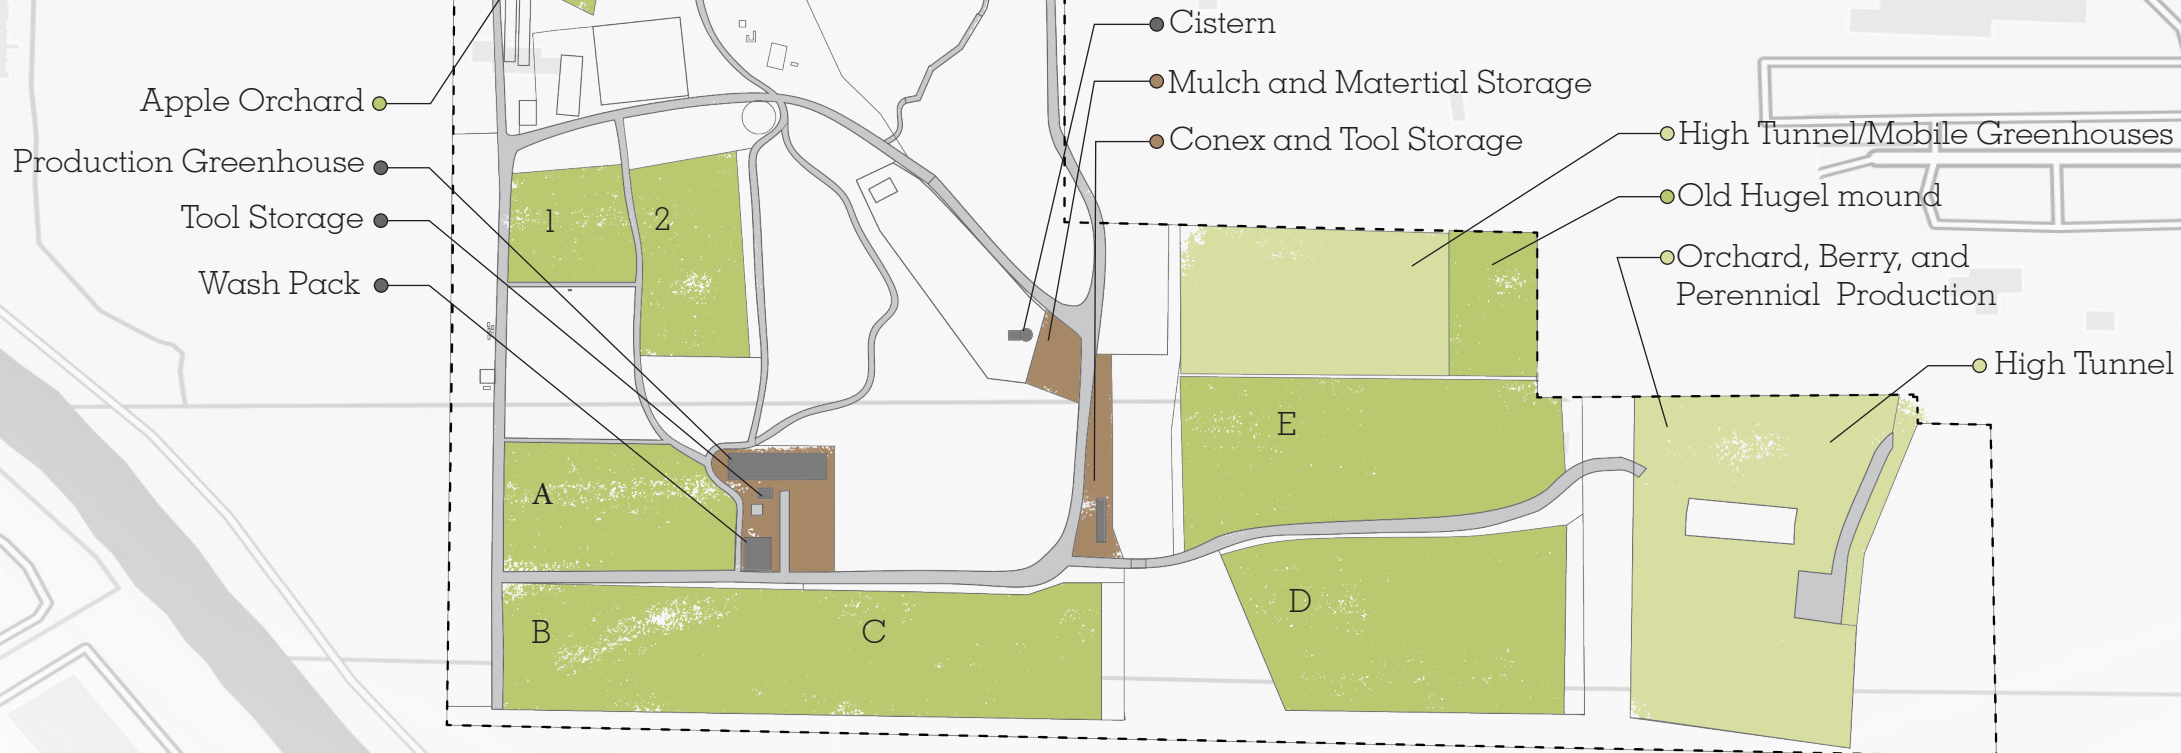

PRODUCTION AREA LAND USE

21 Acres maintains between 3.5 and 4 acres in annual production, divided in roughly half acre parcels per block, maintaining a 7-year crop rotation to address: soil health and resiliency, fertility cycling, soil erosion, diverse incorporation of cover crops, weed, pest, and pathogen management and soil compaction.

Key

- Production space
- Future production space/ potential
- Production Workspaces

WETLANDS AND CONSERVATION AREA LAND USE

Wetlands and Conservation areas make up approx. 6 Acres of our campus. This area provides essential ecosystem services that support farming in the valley and mitigate the effects of climate devastation. Conservation areas on campus include riparian zones, wetland, dunes, meadow and pollinator specific habitat.

Key

- Wetlands/ conservation land
- Hedgerow/ pollinator habitat
- Waterways

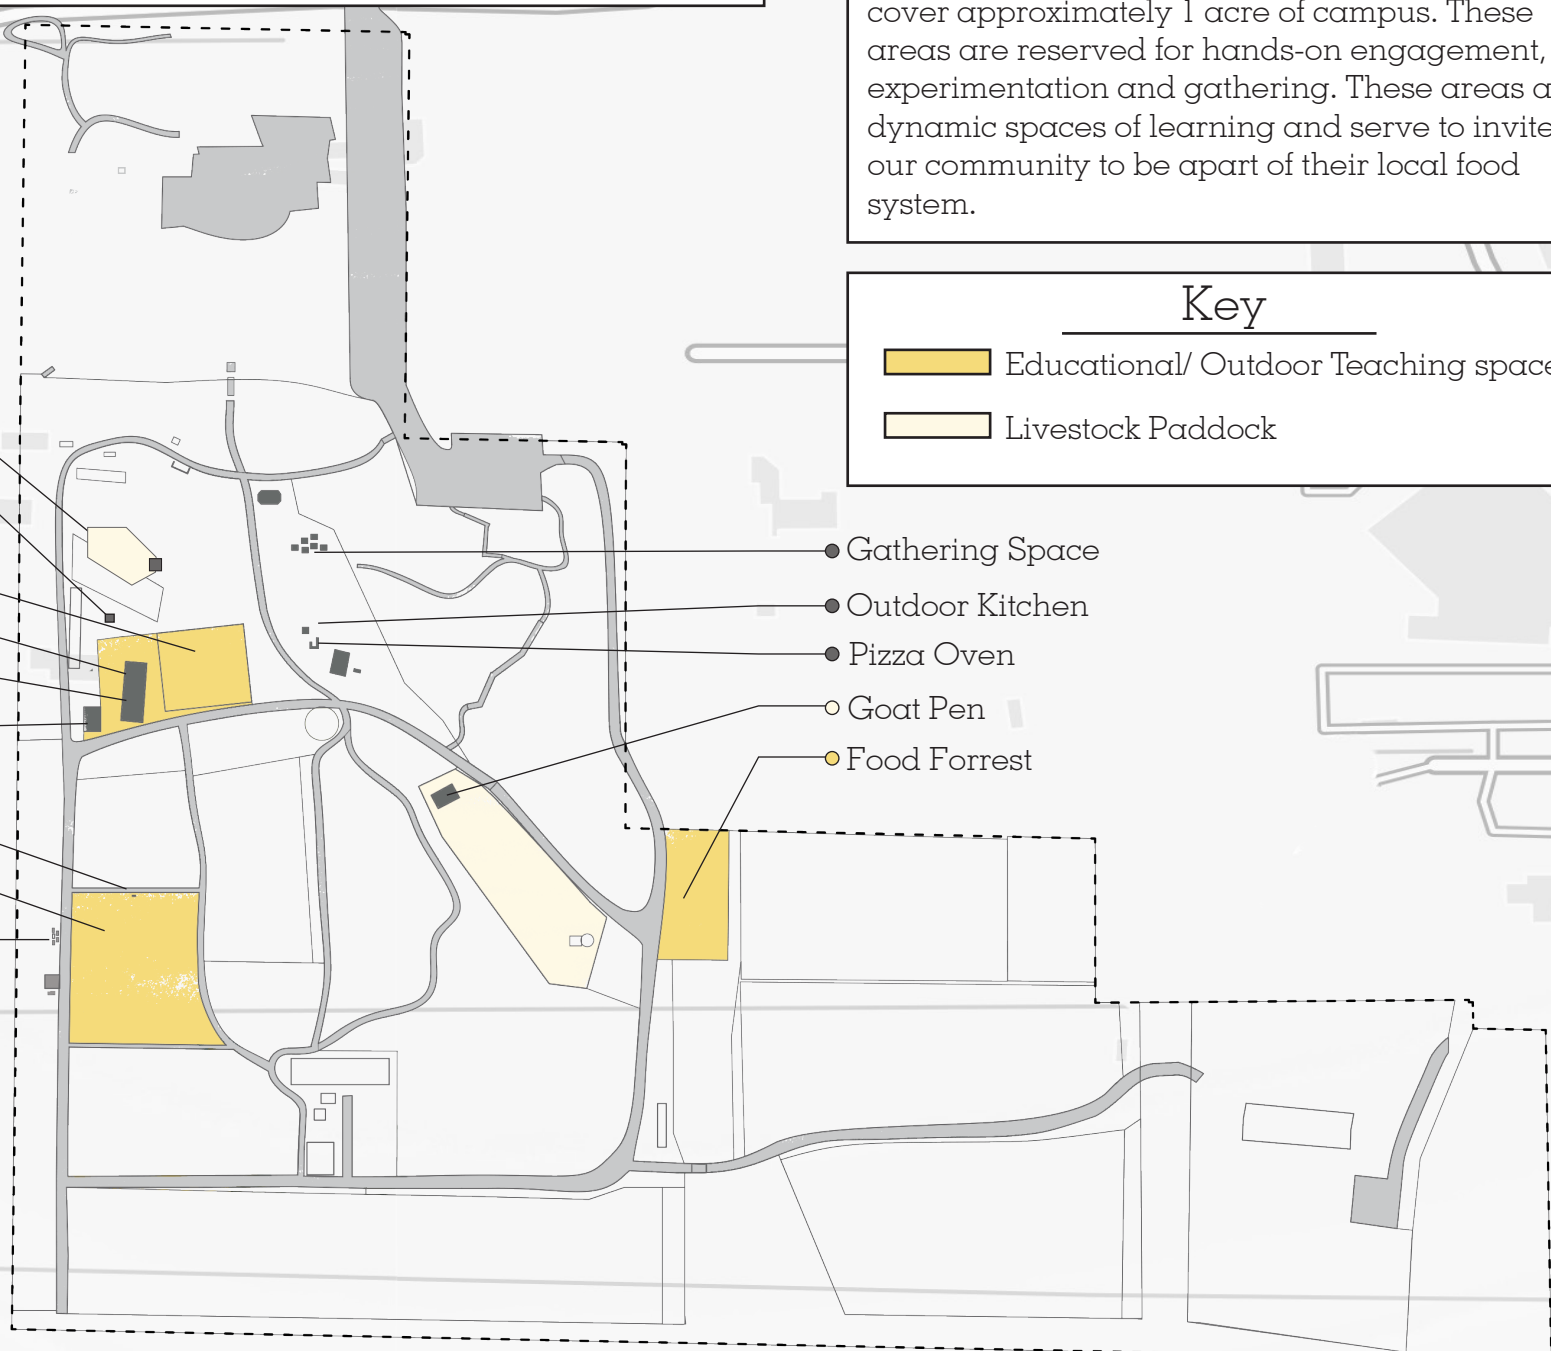

EDUCATIONAL SPACES LAND USE

Education and Permanent Animal Paddocks cover approximately 1 acre of campus. These areas are reserved for hands-on engagement, experimentation and gathering. These areas are dynamic spaces of learning and serve to invite our community to be apart of their local food system.

Key

-  Educational/ Outdoor Teaching spaces
-  Livestock Paddock

- 
- The map shows a campus layout with various educational and outdoor teaching spaces. A dashed line outlines the main campus area. A river or stream flows along the left side. Several buildings and structures are labeled with lines pointing to their locations. The spaces are color-coded: yellow for Educational/ Outdoor Teaching spaces and light yellow for Livestock Paddock.
- Chicken Coop
 - Volunteer Shed
 - Demonstration Garden
 - Learning Greenhouse
 - Rocket Mass Heater
 - Learning Greenhouse
 - Open Top Apiary
 - Learning Garden
 - Vermicomposting
 - Gathering Space
 - Outdoor Kitchen
 - Pizza Oven
 - Goat Pen
 - Food Forrest
