

FARM STEWARD

Get your hands dirty and learn about regenerative farm practices at 21 Acres! Join us for Farm Steward Saturdays: 10 AM to 12:30 PM.

Work alongside knowledgeable 21 Acres staff on a variety of seasonal restoration and farm projects that build soil health and climate resilience. Get a first-hand look at our working farm throughout the seasons. Your time and energy will support local food systems by boosting farm productivity; increasing biodiversity; decreasing stormwater runoff; storing carbon; and generally strengthening our entire agroecological approach to farming.

Volunteer tasks vary by season and may include:

- Seeding
- Transplanting
- Weeding
- Mulching
- Bed building
- And more!

Time Commitment: Saturdays from 10 AM – 12:30 PM. March through November. Check the 21 Acres website for exact start and end dates.

Works with: Volunteer Coordinator, Soil Team

Training: Orientation and training will be provided.

Skills/Supplies Needed: No prior farm experience required. All tools provided.

- Please always wear closed-toe shoes for your safety.
- Raincoats and rubber boots are advised on rainy days.
- Remember to check the weather and dress accordingly.
- Wear loose-fitting comfortable layers that you don't mind getting dirty.
- Long sleeves and long pants are recommended.
- Bring a reusable water bottle and snacks to stay fueled and hydrated!

21 ACRES

Age Requirement: Volunteers ages 13-15 need an adult participant volunteering with them, and anyone under the age of 18 needs parent/guardian permission.

Group Participation: Are you part of a local community group, school, business, or faith group that would like to make an impact together? Check out our [TEAMS EXPERIENCE](#) to learn more about joining us on the farm for an engaging and educational event.

Interested in this role? Email Hillary at VOLUNTEER@21ACRES.ORG or sign up directly on our website: 21acres.org.
